Children and Families Subcommittee January 10, 2024

Present: Tammy Breen, Jackie Jackson, Jason McLaughlin, Angela Tracy, Robin Richards-Szabo

Staff: Linda Wright, Tracy Terry

Agenda Item	Outcome	Action
Introductions	 Meeting commenced at 10am and introductions were made around the room. Purpose: Building Community Partnerships Based on Shared Power and Accountability Strengthen opportunities to prevent mental health and substance use disorders Increasing access to flexible behavioral health and substance use services Prevent and address adverse childhood experiences Facilitate supportive environments that promote well-being and dignity for people of all ages 	Attendance taken and encouraging members to share and actively recruit participation from missing organizations
Presentation- Trauma Informed Care from Rochester CCSI Trauma Informed Network Review of 2024 Local Services Plan- Crisis Management /Subcommittee merge?	 Josh Higgins from TINRC conducted a presentation to inform members of connection and collaboration, trauma informed care training, and prevention and wellness opportunities offered through TINRC. 1. Strengthen opportunities to prevent mental health and substance use disorders through continued prevention education and harm reduction programs Advance community and provider education/awareness through the CSB, AXIS and various cross-systems planning bodies 2. Increase access to flexible behavioral health and substance use services Continued coordination of crisis services and expansion of the mobile crisis services to a 24/7 model Explore 911 diversion for non-emergency mental health calls to mobile crisis participation in programs and wraparound support services for youth 	Tracy will share the power point presentation with all subcommittee members. Tracy will schedule a meeting with IACC subcommittee members to further discuss common goals and next steps. Tracy will contact Washington Co. DSS to schedule a meeting to discuss merging these two focus groups and the addition of any key stakeholders that should be invited.
	Develop school-based mental health services in at least one
