

Poll Watchers

Poll Watchers have rights established by the NYS Election Law

In a PRIMARY ELECTION, any two or more candidates and any party committee may have a maximum of three Poll Watchers at an election site at any time.

In a GENERAL ELECTION, any party committee or independent body with at least one candidate on the ballot may have up to three Poll Watchers at an election site.

Poll Watchers are entitled to:

1. Be present at the polls from 15 minutes before opening and may stay until after the signing of the Inspector's Report and the results are announced after the polls are closed.
2. View the unlocking of the voting system and ballot boxes, if any, before the polls open.
3. Request a Challenge to persons whom they believe are not qualified to vote.
4. Observe the canvass of the vote.

Poll Watchers may not assist or interrupt in the conduct of the election or be part of any electioneering at the polling site.

Poll Watchers may not greet the voters and they are not allowed to handle any official documents or otherwise interfere with the duties of Inspectors. This type of "help" is strictly prohibited.

Only one watcher from each political party committee or independent body may be near the inspector table at any time.

Poll Watchers may not have lap tops or tablets with them in the polling place.

Poll Watcher Certification

All Poll Watchers must have a written certificate issued by the chairperson of the political party or independent body, which they represent. In primary, two or more candidates can sign it.

On Election Day, the certificate must be submitted to the Inspectors of the election site in which the Poll Watcher serves. Inspectors must collect these certificates and return them to the County Board, in the black binder.

Poll Watchers must be qualified voters in the county in which they serve, except in New York City, where they may serve at any election district in the city.
