

Census 2020 and Grant Applications

Census 2020 and Grant Applications

Warren County Planning Department

June 2019 June 24, 2019

Census 2020. Everyone Counts.

Census 2020 and Grant Applications

(LUCA and PSAP) and will continue with the New Construction program in the fall. The Department also plans to participate in the formation of a Complete Count Committee

A Complete Count is Critical!

Census data:

- affects our representation in government
- determines how much federal and state funding our communities receive
- helps inform business decisions, policy and community initiatives

The Census Bureau estimates that Warren County lost population between 2000-2017

We need to make an extra effort to reach populations with historically low response rates and hard-to reach populations

**Census 2020 and Grant Applications**

Fall 2019: New Construction Program (Warren County GIS).

Fall 2019: Address Field Verification (Census Bureau using local employees)

September 2019-April 2020: Hiring of enumerators (estimate of 200-250 for Warren County; pay is \$17/hr+mileage; must be 18+; hours 10-40/week)

March 2020: Census postcards sent to most homes

March 12-20 2020: *Mailing 1:* Letter with info to take survey online (majority of people will get this) or letter+paper survey (20-25% of people based on demographics and internet connectivity)

March 16-24 *Mailing 2:* Reminder letter to non-respondents

March 26-April 3 *Mailing 3:* Postcard to non-respondents

April *Mailing 4:* Letter+questionnaire to non-respondents

April *Mailing 5:* "It's not too late" postcard to non-respondents

Census 2020 and Grant Applications

census in the location they are living in April.

May-July: Enumerators conduct non-response follow-up and collect information at the door

Dec 31, 2020: The census director delivers apportionment counts to the President

March 2021: The Census Bureau completes delivery of redistricting counts to the states
