SCHEDULE "A"

**ADA/SECTION 504 POLICY
WARREN COUNTY, NEW YORK**

I. POLICY STATEMENT

As provided by Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act of 1990 (ADA) and ADA Title II Regulations:

A. Warren County Programs, Services and Activities

1. Warren County, New York ("Warren County") will ensure that no qualified disabled individual shall, solely on the basis of his or her disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any of its programs, services or activities. Warren County further ensures that every effort will be made to provide nondiscrimination in all of its programs or activities regardless of the funding source.
2. Warren County shall maintain in operable working condition those features of facilities and equipment that are required to be readily accessible to and usable by persons with disabilities by the Act or this part. This section does not prohibit isolated or temporary interruptions in service or access due to maintenance or repairs.
3. Warren County shall generally permit the use of a service animal (including miniature horses, to the extent any particular facility can accommodate these animals) by an individual with a disability, except that:
 - a) Warren County may ask an individual with a disability to remove a service animal from the premises if the animal is out of control and the animal's handler does not take effective action to control it or the animal is not housebroken. If Warren County properly excludes a services animal, it shall give the individual with a disability the opportunity to participate in the service, program, or activity without having the service animal on the premises.
 - b) Warren County shall not be responsible for the care or supervision of a service animal.
 - c) Warren County shall not ask about the nature or extent of a person's disability, but may make two inquiries to determine whether an animal qualifies as a service animal. Warren County may ask if the animal is required because of a disability and what work or task the animal has been trained to perform. Warren County shall not require documentation, such as proof that the animal has been certified, trained, or licensed as a service animal. Generally, Warren County will not make these inquiries about a service animal when it is readily apparent that an animal is trained to do work or perform tasks for an individual with a disability (e.g., the dog is observed guiding an individual who is blind or has low vision, pulling a person's wheelchair, or providing assistance with stability or balance to an individual with an observable mobility disability).
 - d) Individuals with disabilities shall be permitted to be accompanied by their service animals

- in all areas of a public entity's facilities where members of the public, participants in services, programs or activities, or invitees, as relevant, are allowed to go.
- e) Warren County shall not ask or require an individual with a disability to pay a surcharge, even if people accompanied by pets are required to pay fees, or to comply with other requirements generally not applicable to people without pets. If Warren County normally charges individuals for the damage they cause, an individual with a disability may be charged for damage caused by his or her service animal.
4. a) Warren County shall permit individuals with mobility disabilities to use wheelchairs and manually-powered mobility aids, such as walkers, crutches, canes, braces, or other similar devices designed for use by individuals with mobility disabilities in any areas open to pedestrian use.
 - b) Warren County shall make reasonable modifications in its policies, practices, or procedures to permit the use of other power-driven mobility devices by individuals with mobility disabilities, unless Warren County can demonstrate that the class of other power-driven mobility devices cannot be operated in accordance with legitimate safety requirements adopted by resolution of the Warren County Board of Supervisors.
 - c) Warren County shall not ask an individual using a wheelchair or other manually powered mobility device questions about the nature and extent of the individual's disability.
 - d) Warren County may ask a person using an other power-driven mobility device to provide a credible assurance that the mobility device is required because of the person's disability.
 - e) If Warren County permits the use of another power-driven mobility device by an individual with a mobility disability, it shall accept the presentation of a valid, State-issued, disability parking placard or card, or other State-issued proof of disability as a credible assurance that the use of the other power -driven mobility device is for the individual's mobility disability. In lieu of a valid, State-issued disability parking placard or card, or State-issued proof of disability, Warren County shall accept as a credible assurance a verbal representation, not contradicted by observable fact, that the other power-driven mobility device is being used for a mobility disability. A "valid" disability placard or card is one that is presented by the individual to whom it was issued and is otherwise in compliance with the State of issuance's requirements for disability placards or cards.
5. a) Warren County shall ensure that individuals with disabilities have an equal opportunity to purchase tickets for accessible seating:
 - i) During the same hours;
 - ii) During the same stages of ticket sales, including, but not limited to, pre-sales, promotions, lotteries, wait-lists, and general sales;
 - iii) Through the same methods of distribution;

- iv) In the same types and numbers of ticketing sales outlets, including telephone service, in-person ticket sales at the facility, or third-party ticketing services, as other patrons; and
 - v) Under the same terms and conditions as other tickets sold for the same event or series of events.
- b) Warren County shall, upon inquiry:
- i) Inform individuals with disabilities, their companions, and third parties purchasing tickets for accessible seating on behalf of individuals with disabilities of the locations of all unsold or otherwise available accessible seating for any ticketed event or events at the facility;
 - ii) Identify and describe the features of available accessible seating in enough detail to reasonably permit an individual with a disability to assess independently whether a given accessible seating location meets his or her accessibility needs; and
 - iii) Provide materials, such as seating maps, plans, brochures, pricing charts or other information, that identify accessible seating and information relevant thereto with the same text or visual representations as other seats, if such materials are provided to the general public.
- c) Purchasing of multiple tickets, holding and releasing of tickets, transfer and secondary market of tickets shall be governed by ADA Title II Regulations.
6. All Warren County offices and programs shall be accessible to users of TTYs (Teletypewriter) either by having a TTY to provide direct TTY access or by way of the NY Relay Service.
7. Telephone emergency services, including 911 services, shall provide direct access to individuals who use TDD's and computer modems.
8. Warren County shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities and facilities. Warren County shall provide signage at all inaccessible entrances to each of its facilities, directing users to an accessible entrance or to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each accessible entrance of a facility.
9. a) Warren County is not required to permit an individual to participate in or benefit from services, programs or activities of that public entity when that individual poses a direct threat to the health or safety of others. In determining whether an individual poses a direct threat to the health or safety of others, Warren County will make an individualized assessment, based on reasonable judgment that relies on current medical knowledge or on the best available objective evidence, to ascertain: the nature, duration, and severity of the risk; the probability that the potential injury will actually occur; and whether reasonable modifications

of policies, practices, or procedures or the provision of auxiliary aids or services will mitigate the risk.

- b) Warren County is not required to take any action that it can demonstrate would result in a fundamental alteration in the nature of a service, program, or activity or in undue financial and administrative burdens. In those circumstances where personnel of the public entity believe that the proposed action would fundamentally alter the service program, or activity or would result in undue financial and administrative burdens, Warren County has the burden of proving that compliance with this subpart would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the Warren County Administrator or his or her designee after considering all resources available for use in the funding and operation of the service, program or activity and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required that would result in such an alteration or such burdens, Warren County shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, individuals with disabilities receive the benefits or services provided by Warren County.

- 10. a) Warren County shall not discriminate against any individual because that individual has opposed any act or practice made unlawful by this part, or because that individual made a charge, testified, assisted or participated in any manner in an investigation, proceeding or hearing under the Act or regulations adopted in furtherance thereof.

- b) Warren County shall not coerce, intimidate, threaten or interfere with any individual in the exercise or enjoyment of, or on account of his or her having exercised or enjoyed, or on account of his or her having aided or encouraged any other individual in the exercise or enjoyment of, any right granted or protected by the Act or regulations adopted in furtherance thereof.

B. Warren County Employment

Warren County will ensure that no qualified individual with a disability shall, on the basis of disability, be subjected to discrimination in employment under any service, program, or activity conducted by a public entity.

C. Warren County Administration of 504 Contracts
