

**DECEMBER**  
**EMPLOYEE OF THE MONTH**

**Jennifer Pouliot**

**Office of Emergency Services – Office Specialist**

Jenn is a once in a lifetime employee. She is personable, organized and driven. She keeps the office running smoothly during emergencies as well as the normal crazy times. She gently reminds the staff if they haven't left for a meeting and accepts any work assignment whole heartedly. She is known through the County as a helpful employee; even if the help is not directly correlated to her job. Over the years Jenn has taken on more responsibilities and individual projects. She helps the Employee Safety Committee with exercises even though she is not a member. Jenn has a calming influence on distressed callers during emergencies and is an extreme asset to Warren County.
