WHAT EVERY VOLUNTEER FIREFIGHTER SHOULD KNOW IN CASE OF INJURY IN LINE OF DUTY

A. The law requires every county, city, town, village or ambulance district to:

- 1. Provide Volunteer Firefighters' Benefits in case of accident or injury in the line of duty.
- 2. Post a notice of compliance:(a) Giving the name of the insurance carrier, if the community is insured, or (b) Stating that the community is self-insured. (Look for this notice at your ambulance company headquarters. Advise the Workers' Compensation Board if it is not posted in a conspicuous place. Note: Ambulance Services unaffiliated with a political subdivision are not required to provide coverage under the VAWBL. However, if coverage is provided, a notice of compliance must be posted.)

B. What You Must Do

1. You must give written notice of injury on Form VF-1 or this Form VF-3 by personal delivery or registered mail WITHIN NINETY DAYS after injury to the designated officer of the political subdivision liable for benefits as follows:

If the political subdivision liable for benefits is a a. County

> Village d.

e. Fire

b. City Town

C.

Then deliver to

- a. Clerk of Board of Supervisors
- b. Comptroller or Chief Financial Officer Town Clerk C.
- d. Village Clerk
 - e. Secretary

The home county, city, town, village or fire district is liable for the payment of benefits, regardless of whether service was rendered for the home area or for another area under contract or in response to a call for assistance.

- 2. Form VF-1 is only a notice of injury or death and not a claim for benefits. In order to claim benefits, you must file this Form VF-3 no later than two years after injury with: (a) Chair, Workers' Compensation Board (see address below) and (b) The same officer to whom a notice of injury was sent (item B1 above). If you file Form VF-3 WITHIN NINETY DAYS, it serves as both a notice of injury and a claim for benefits, and you do not need to file Form VF-1.
- 3. You should secure medical attention promptly (see item 2 below regarding choice of doctor).
- 4. Attend the hearing on your case if you are notified to appear before the Workers' Compensation Board.

C. Your Rights

- 1. As a volunteer firefighter, you are entitled to benefits if you suffer injury in the line of duty.
- 2. Generally, you are entitled to be treated by a doctor of your choice, provided he/she is authorized by the Board. If the political subdivision is involved in a preferred provider organization (PPO) arrangement, you must obtain initial treatment from the certified preferred provider organization which has been designated to provide health care services for volunteer firefighters' injuries.
- 3. You are entitled to be paid for drugs, crutches or any apparatus such as belts, if they are prescribed by your doctor; also for carfares and other necessary expenses going to and from your doctor's office or hospital. You are to secure a bill or receipt for such expenses and present it to the clerk of the county's board of supervisors, comptroller or chief financial officer of the city, clerk of the town or village, secretary of the fire district which is liable for providing volunteer firefighters' benefits, or its insurance carrier for payment. If payment is refused, the bill or receipt should be sent to the Workers' Compensation Board with a statement of fact that payment has been refused
- 4. You are entitled to benefits from the first day of disability if your injury keeps you from work, compels you to work at lower wages, or leaves you with impaired eyesight or hearing, serious facial scars, or any permanent injury or stiffness of a finger, hand, toe, foot, leg or arm.
- 5. You are entitled to an opportunity to be heard on your claim before the Workers' Compensation Board.
